INTERVIEW REPORT

INTERVIEWEE: [REDACTED]

PREPARED BY: [REDACTED]

CASE: (U) [REDACTED] Review of Interrogations for
Counterterrorism Purposes

(U//A//FO) On 17 June 2003 [REDACTED]
Office of Inspector General interviewed [REDACTED]

[REDACTED] In conjunction with a review of Agency
practices regarding the interrogation of individuals for counterterrorism purposes.

[REDACTED] This interview began at 0930 and concluded at
1115.

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

5. (TS/ [REDACTED] said the labeling of the videotapes was "spotty," with some tape labels having dates with start/stop times, and others having only start times. [REDACTED] observed that the tapes were numbered, but not sequentially. [REDACTED] just about all the tapes had dates or were numbered. In addition, there were some "miscellaneous tapes." [REDACTED]

[REDACTED] lined the tapes up chronologically and numbered them 1 through 92 with a black magic marker. [REDACTED]

[REDACTED] would play each tape and check [REDACTED] observing, "Yes, they're doing that. Yes, yes, it corresponds." [REDACTED] watched the video of [REDACTED] in play mode, listening to the audio for the tenor of the session, then watching the balance of the tape in "play/fast forward." [REDACTED] observed "no touching," "no threatening gestures," and "no body language" that would suggest hostility or any untoward activity, "just questions and answers."

6. (TS/ [REDACTED]

[REDACTED] When asked if it was consistent with guidance [REDACTED] would have to check guidance before

[REDACTED]

answering. [REDACTED]

7. (TS/ [REDACTED]

When the session was complete, [REDACTED] compare [REDACTED] with what had been reported [REDACTED] acknowledged that there was no time or date stamp on the video and that the tapes do not cover the whole period stating "the tapes alone would not give you a complete picture." Nevertheless, [REDACTED] compared [REDACTED] on the tapes with the description in the cable and "they corresponded." [REDACTED] "Everything else about the description is accurate." It tends to confirm the cable."

8. (TS/ [REDACTED]

[REDACTED] viewed "every minute in play mode."

[REDACTED] explained that in some cases there was only one-half hour of video recording on a tape, noting that [REDACTED] personnel did not just change tapes when they ran to the end of the spool. [REDACTED] when a taped interrogation session ended on a videotape, [REDACTED] play/fast forward through the remaining static or "blue screen" to the end of the tape. [REDACTED] for many of the tapes, on 1/2 or 3/4 of the tape "there was nothing." [REDACTED] on some tapes it was apparent that the VCR had been turned off and then turned back on right away.

[REDACTED] on other tapes, the video quality was poor and on others the tape had been reused (taped over) or not recorded at all. [REDACTED] the label on some tapes read "interrogation session," but when viewed there was just snow. [REDACTED] did not make note of this in [REDACTED] report. [REDACTED] estimated that a "half dozen" of the videotapes had been taped over or were "snowy."

9. (TS/ [REDACTED] the audio on some of the tapes was difficult to hear [REDACTED]

[REDACTED] did not

[REDACTED]

detect any mechanical problems with the tapes [REDACTED] checked each one
visually to see that it was rewound [REDACTED] not aware of any
tapes that were broken

[REDACTED]

[REDACTED]

[REDACTED]

13. (TS)

[REDACTED]

[REDACTED]
[REDACTED] did not mention in his report the number of blank tapes [REDACTED]

[REDACTED] "didn't feel it was noteworthy."

14. (TS) [REDACTED] review of the interrogation videotapes saying [REDACTED] "all aggressive sessions" [REDACTED] were conducted with videotaping, adding, "I'm satisfied I saw tapes of the entire aggressive phase." [REDACTED] everything the cables reported "I can verify. I do verify." [REDACTED] report is accurate and [REDACTED] did not feel pressured to reach a particular conclusion with respect to the tapes. [REDACTED]

[REDACTED] When asked whether [REDACTED] conclusion that the tapes "confirm" the cable traffic was overstated, [REDACTED] replied that the tapes "tend to confirm what is in the cables," and "do nothing to discredit any of the cables." [REDACTED]

[REDACTED] added that [REDACTED] received no pressure from management to report in a certain way. [REDACTED]
